

# Lakeside Athletics

## Packet 2018-2019

---

Please read this packet, fill out the required pages, sign and return to the office /  
**head coach** by the first practice

Make sure all of the needed forms/payments are included  
**(PLEASE KEEP THE REST OF THE PACKET FOR YOUR RECORDS EXCEPT FOR THE  
FOLLOWING PAGES):**

- IHSAA Interim Questionnaire
- Medical Release Form
- Parent/Student Signature Form
- Physical Form – must be turned in before practice starts –
  - (*Freshmen/Juniors/New Athletes or last physical more than two years old only*)

The Pay-to-Participate fee is required before the first game. If there is difficulty paying the fee, please contact the high school office at 208-686-1937

- Participation/ASB Fees
  - \$30 per sport per athlete (\$60 for two sports, \$75 for 3 sports)
    - \$150 for entire immediate family
  - \$20 ASB Fee

# PLUMMER-WORLEY SCHOOL DISTRICT ACTIVITIES CODE / ELIGIBILITY POLICY

## EXTRA/CO-CURRICULAR PHILOSOPHY

The basic purpose of this policy is to insure that those students who represent our school in athletic and extra-/co-curricular activities uphold the highest standards of conduct and academic excellence. Athletic and extra-/co-curricular activities are a part of the total education program at Lakeside and students who participate in these programs are expected to be in good standing as students. Their studies and class work must come first. The rules and regulations have been formulated primarily to put academic success and exemplary citizenship in the proper perspective for the students who participate in athletics and school sponsored activities.

## **PARTICIPANTS**

Students under the jurisdiction of this policy will be those who are managers, stat keepers or those who participate in:

Football      Basketball      Volleyball      Track      Golf  
Club/Class/ASB Officers  
Any other extra/co-curricular activities

## ACTIVITY ELIGIBILITY

To be academically eligible, the state requires a student must be enrolled full-time, meet the IHSAA individual eligibility requirements of a 2.00 GPA in June to be eligible for the first trimester of the coming year and maintain a 2.00 GPA at the end of the first trimester to be eligible for activities during the second trimester, and have a 2.0 GPA at the end of the 2ed trimester to be eligible for the 3<sup>rd</sup> trimester. Also, the state requires a student pass 4 of 5 classes (middle school and high school) and be making general progress toward graduation. Our school's policy mirrors this, as it is recommended a student pass all core classes and maintain a 2.00 GPA between local grade checks, which will be every three weeks. At the local level, an A-, B-, C-, and D- grade will be interpreted to be a 4.0, 3.0, 2.0, and 1.0, respectively. Students failing to meet the above requirements at a grade check period will be placed on probation until the next grade check. One of the following actions will be taken at that time:

- If no progress or growth is shown at the end of the probationary period, the student shall be declared ineligible for that sport season.
- If sufficient progress and growth is noted for the student to reach requirement levels, then the student will be removed from probation and placed in good academic standing.

**[REVISED 8/2/2017]**

The sport seasons at Lakeside are split between the three trimesters. Football and Volleyball trimester 1, Boys and Girls basketball fall into trimester 2 with Track and Golf falling in the 3<sup>rd</sup> trimester. The first grade check for the trimester one sports will be at the end of the first four weeks of school. Trimester grades will determine initial eligibility for each subsequent trimester.

If a student is determined to be ineligible, the ineligibility shall commence three days following the issuance of grades, but not less than three school days prior to a scheduled contest. In addition, academic eligibility requirements, which exceed the IHSAA minimum standards may be waived by the principal and athletic director if, in their judgment after consultation with all involved persons, circumstances warrant it.

#### **MAKE-UP TIME/ STUDY TABLE**

The school policy on attendance makeup requires one hour after school to make up each hour of class missed for an absence. In order to help our student athletes with academic success and makeup time, it has been determined that all student athletes will attend a mandatory study table for 30 minutes after school is over. Missing or being thrown out of study table is considered the same as missing practice. There will not be a mandatory study table on Fridays or on game Days.

#### **A. S. B. CARD REQUIREMENT**

To be eligible to participate in any of the above, a student must hold a current Lakeside Associated Student Body card.

#### **ATTENDANCE AT SCHOOL**

To participate in practice or in any activity, each student must be in attendance all day the day of the practice or activity. Exceptions include excusable medical, dental or prearranged excuses all approved by the principal/athletic director. **All students are expected to attend school the entire day after a game or activity unless the principal or athletic director determines that extenuating circumstances exist.** Failure to attend or coming late without prior permission will result in implementation of the attendance policy on missing school or practice.

#### **ATTENDANCE AT PRACTICES/CONTESTS/ STUDY TABLE**

Attendance at practice/contests is mandatory unless **prior permission** is received from the coach or the person in charge. It is also expected that the student be on time to and stay for the entire practice. The school district policy on unexcused absences from practices is as follows:

- The first incident of unexcused absence(s) will result in the suspension for the next contest or activity.
- The second incident of unexcused absence(s) will result in dismissal for the remainder of the season.

#### **SUSPENSION FROM SCHOOL**

It is understood that a student under out of school suspension will not be able to practice on the date(s) involved in the suspension, but the missed practice(s) due to the suspension would not fall into an excused/unexcused category. The coach, principal and athletic director will determine a student's team membership following the student's return from suspension. Coaches are responsible for supplying all team members with phone numbers or where they can call to be excused from practice. Any participant

**[REVISED 8/2/2017**

who quits a sport, team or club or is dismissed for disciplinary reasons is not eligible to receive special recognition or awards for that sports, team or club from the local school and/or the league, or any other regional, state, or national association.

### **ECONOMIC ELIGIBILITY**

#### **PHILOSOPHY STATEMENT**

Sports are critical to the development of many students. We believe all students should have an affordable opportunity to participate in the Lakeside athletic program.

#### **FEES & DUES**

Fees are \$30 participation fee per sport (with a maximum annual cost of \$75 per student or \$150 per immediate family). Various clubs and activities may have various state and local dues that might need to be paid. Students participating in activities are also required to pay a \$20 ASB fee annually in addition to the participation fee.

#### **COLLECTION METHOD**

Payment of the ASB fee and athletic participation fee will be required prior to the first practice. Special circumstances may be discussed with the principal. The fees will be collected by the office secretary before and during the season. The building secretary will maintain a list of who has paid the ASB and participation fees and provide this list to the Athletic Director.

#### **COMMUNICATION/NOTIFICATIONS/AFFORDABILITY**

Notification of non-payment will be made to the principal, athletic director and coach. The principal will send letters to parents regarding non-payment.

Some scholarships may be available for students unable to afford the participation fee. Students or parents should contact the Coach, Athletic Director or Principal and discuss possibilities for a scholarship or alternative payment schedule.

#### **PAYMENT**

Payment is not a guarantee that your student will participate in all or any events nor is it refundable should the student stop participating in the sport.

### **EXTRA/CO-CURRICULAR EXPECTATIONS**

#### **TRANSPORTATION**

Only activity participants or support staff (i.e. coaches, managers, statisticians, bookkeepers, videographers, chaperones, etc.) will be allowed to ride the team bus. Boys and girls will be separated while riding the bus. During a period of ineligibility, a student will not ride the bus for that activity. All team members will ride the team bus to all games or activities. Students may be released to their parent/guardian after the game or contest by notifying the coach in writing before or at the game or event. The principal/athletic director must approve any other transportation arrangement in advance. If a student departs without permission, he/she will be ineligible to participate in the sport, team or club for the remainder of the season.

**[REVISED 8/2/2017]**

## **EQUIPMENT**

The student will be held responsible for all equipment issued to him/her. If all or part of the equipment is not turned in at the end of the season, they will be responsible for either turning in the uniform or paying the sum of the total of the missing equipment. Actions could be taken should school-owned equipment not returned at the end of the season in a timely manner, including:

- The athlete will not be issued equipment for another sport until all other equipment is turned in.
- The athlete will not be allowed to participate in events until their equipment is turned in or their fee is paid.

## **INSURANCE**

Each student athlete or those involved in extra/co-curricular activities must be insured in case of accident. If the student has no insurance, an application for student accident insurance can be obtained at the Lakeside Middle/High School Office. Please examine the provisions of the policy carefully before making your decision to purchase the student insurance.

The school will require that all students participating in any portion of the student co/extra-curricular program, and who will be engaged in activities outside of the student school hours or away from the school premises, must demonstrate evidence of adequate accident insurance coverage. This may be done by purchasing student insurance through the School District's student insurance carrier, or by returning the attached form bearing the signature of the parent/guardian. Your signature will attest that adequate coverage exists through your private insurance carrier and that you assume personal liability for all expenses incurred in case of emergency. All students who will participate in activities outside of regular school hours must complete this requirement before practice or participation may begin.

**The school co/extra-curricular program includes all boys and girls athletics and school sponsored activities. Your signature on the signature page at the end of this document indicates this participant is adequately covered through our own insurance program for all accidents and injuries which may occur while at school or during participation in school activities.**

## STANDARDS OF CONDUCT

### **CONSEQUENCES**

The first incident from the following list of violations will result in the student athlete being ineligible to participate for the next two weeks from the date of the suspension. In football and track, in the event of a bye week, the suspension is for a minimum of two games or contests at the same level. A contest is considered a whole day in the case of multiple games or matches in one day. The student is expected to attend all practices during this time unless he/she is also suspended from school. The second violation from the following list will result in dismissal from the team or sport. A third offense will result in a suspension from athletic participation for one calendar year from the date of the suspension.

**It should be noted that if the athletic director and/or principal may find any offense to be of such a serious nature that the normal step process is not a serious enough consequence, they may immediately invoke step two or step three.**

The following is a partial list of the conduct/action that can cause a student to be in violation of the activities code. Any conduct determined by the principal and/or athletic director and coaches that is not on the list, but felt to be detrimental to the philosophy of activities in the Plummer/Worley School District can also be dealt with using the guidelines for violations of the activities code.

#### **1. SCHOOL SUSPENSIONS**

Any participant who is suspended from school is in violation of the activities code.

**2. UNLAWFUL ACTIVITY (EXCLUDING MISDEMEANOR TRAFFIC VIOLATIONS):** Any participant who is caught committing any unlawful activity is in violation of the activities code.

#### **3. ATTITUDE**

As a representative of the Plummer/Worley School District, students are expected to display good sportsmanship and a positive attitude toward teammates, coaches, officials, property and others. Any participant determined to have an attitude detrimental to the program is in violation of the activities code. **This may include: being written up for an offense during school, being sent to office for disciplinary actions, or appropriate action.**

#### **4. APPEARANCE**

As a representative of the Plummer/Worley School District, your appearance is very important. A team may elect a "team look." If there is not a "team look," individuals will be responsible for meeting or exceeding the following code: nice jeans or pants, collared shirt or sweater. A student will not travel if these requirements are not met and will not participate if it is a home contest.

#### **5. LANGUAGE**

Swearing during the game or at practice is an obvious breakdown in individual and team discipline. The coach as part of team discipline shall handle infrequent or unintentional outbursts. **However, swearing at someone, including teammates, the opposition, coaches, officials or fans in anger or frustration during participation is a violation of the activities code.**

**[REVISED 8/2/2017**

## **6. TOBACCO / e-cigarettes**

Studies indicate there is a reduction of ability to perform in athletics, or resulting behavior issues, when a student uses tobacco. Any student determined to have used/possessed/ or distributed these items during the season will be suspended following the rules for all general violations

## **7. ALCOHOL, AND ILLEGAL DRUGS**

Studies indicate there is a reduction of ability to perform in athletics, or resulting behavior issues, when a student uses or consumes illegal substances (including alcohol and non- prescription drugs). In addition, the participant is expected to conduct himself/herself in a manner that shows a high regard for sportsmanship, reliability and teamwork. Any student determined to have used/possessed/ or distributed these items during the season will be suspended following the rules for all general violations.

The use or distribution at school or a school sponsored activity will be suspended for the remainder of the sport season.

## **SELF REPORTING**

Students who come to school personnel and self-report, with the intention of receiving counseling or help, will be dealt with on an individual basis. If the student has a previous violation, and then they self-report, the consequences for the violation will still be enforced. Self-reporting student will need to enroll in a certified substance abuse counseling program, provide proof of enrollment, and meet the requirements of that program to continue to participate. All costs of the program will be paid for by the student's family.

## **DRUG TESTING**

The district has taken the position that parents whose students participate in extra-curricular activities are choosing that their children maintain a healthy life style. In support of this position we may require those students who choose to participate in extra-curricular activities to take a drug test before the beginning of each season and randomly throughout the sport season. In the event of a failed test, a second test will be given. The second test will be administered as soon as reasonably possible. **If both tests are failed, the participant will be suspended for the remainder of that sport season.** The school district will bear the cost of the first and second tests.

## **ACTIVITIES CODE / ELIGIBILITY POLICY AGREEMENT**

Students in the Plummer/Worley School District who wish to participate in extra/co-curricular activities are required to sign this agreement. I understand that this agreement states that should I become involved with activities or student government or athletic clubs that I will have maintained good citizenship in the school building, classroom, and community.

If I am involved in violations of the activity code or of any violations of a serious nature including misdemeanors, felonies and crimes of violence, I could be subject to suspension/expulsion from any and all activities.

**[REVISED 8/2/2017**

1. I have read and understand the Activities Code / Eligibility Policy of the Plummer/Worley School District.
2. I have read and understand the PWSD Travel Expectations.
3. I have read and understand the "Notification of Risk" form and filled it out and turned it in with this packet. *(Both the applicant student and a parent/guardian must read carefully)*
4. I understand that these forms are only a portion of the athletic eligibility requirement (i.e. physical, grade requirements, etc.) for the 2018-2019 school year, and these forms will be in effect for the entire school year.
5. I hereby permit my son/daughter to participate on the team and to engage in all activities related to the team, including, but not limited to, trying out, practicing, and playing in competitions. I understand and assume all risks, which may include, but are not limited to sprains, fractures, ligament or cartilage damage, neck and spinal injuries, and serious injury to muscles, internal organs, and/or brain, or possible death associated with said participation, and recognize the importance of following coaches' instructions regarding playing techniques, training guidelines, and team rules.
6. I acknowledge that we have been properly advised, warned, and cautioned that participation in athletics can result in an athlete suffering serious injury or possible death.
7. Having been so advised, warned, and cautioned with full knowledge and understanding of the risk of serious injury from participation in, it is our desire to consent to my son's/daughter's participation.

## **NOTIFICATION OF RISK**

### **YOU MUST READ AND SIGN THIS WARNING OF RISK STATEMENT BEFORE YOUR SON OR DAUGHTER MAY PARTICIPATE.**

Athletics are a voluntary, extra-curricular activity. As a condition of participation in this activity, you and your parent(s) or guardian(s) must agree to ASSUME THE RISKS OF INJURY OR DEATH involved in this activity and agree to RELEASE the Plummer-Worley Joint School District from liability or ordinary NEGLIGENCE in the conduct of its athletic programs.

Every sport contains inherent risks and it is impossible to eliminate all the risks of injury in a sport. Although the contact in athletics is limited by the rules, athletics by its makeup creates contact which can and does cause injuries to the participants.

The danger and risk of participating in athletics includes, but is not limited to injuries incurred while running, jumping, and lifting. Contact while performing these activities, with the ground, participants, or other objects can also produce a variety of injuries. While most of these injuries are not of a serious nature, they do range from minor bumps, bruises, contusions to major sprains, breaks or spinal or head injuries. Thus it is important that you and your son or daughter, know, understanding, and appreciate the risk.

**[REVISED 8/2/2017]**

## HELMET WARNING OF RISK – *FOOTBALL ONLY*

Do not strike an opponent with any part of your helmet or face mask. This is a violation of football rules and may cause you to suffer severe brain or neck injury, including paralysis or death. *Severe brain or neck injury may also occur accidentally while playing football.* **NO HELMET CAN PREVENT ALL SUCH INJURIES. YOU USE A HELMET AT YOUR OWN RISK.**

[REVISED 8/2/2017

# **Student-Parent/Guardian Drug Testing Consent Form**

We, the undersigned student and parent, understand that students participating in extra-curricular activities are choosing to maintain a healthy life style and that the student's performance as a participant, and the reputation of the student's school, are dependent, in part, on the students conduct as an individual. We, the student's and parent or guardian, hereby agree to accept and abide by the standards, rules and regulations set forth by the Plummer/Worley School District for the activity in which the student chooses to participate.

We also authorize the Plummer/Worley School District No. 44 to conduct required and random drug/alcohol tests of urine specimens, which the student provides, to test for illegal drug and alcohol use. We also unconditionally authorize the release of information concerning the results of such test to the Plummer/Worley School District.

Once released to the School District, such results shall be treated with the same degree of confidentiality as any other student records.

This testing shall be deemed consent, for the purposes of the Family Education Right to Privacy Act.

# INTERIM QUESTIONNAIRE

It is required all students complete a history and physical examination prior to his/her first 9th and 11th grade practice in the interscholastic (9-12) athletic program in the State of Idaho. The exam is at the expense of the student and may not be taken prior to May 1 of the 8th and 10th grade years. This examination is to be done by a licensed physician, physician's assistant or nurse practitioner under optimal conditions. Interim history forms are required during the 10th and 12th grade years and must be submitted to the school administration prior to the first practice.

Name	Date of Birth	Grade Level
Address	Phone	School

Explain "YES" answers: \_\_\_\_\_

## CONSENT FORM

(Parent or guardian and student permission and approval)

I hereby consent to the above named student participating in the interscholastic athletic program at his/her school of attendance. This consent includes travel to and from athletic contests and practice sessions. I further consent to treatment deemed necessary by physicians designated school authorities for any illness or injury resulting from his/her athletic participation. I also consent to release of any information contained in this form to carry out treatment and healthcare operations for the above named student.

My child  **should** or  **should NOT** have a physical examination prior to participation in high school athletics

Parent/Guardian Signature and Date: \_\_\_\_\_

This application to compete in interscholastic athletics for the above school is entirely voluntary on my part and is made with the understanding that I have not violated any of the eligibility rules and regulation of the State Association.

Student Signature and Date: \_\_\_\_\_

[REVISED 8/2/2017]

## **PARENT/GUARDIAN CODE OF CONDUCT**

The following is being provided as information for parents, community, and family members who attend Lakeside activities.

Some of these expectations are set forth to protect the safety of children at events.

Please help us to maintain a safe environment for all in attendance at activities.

### **Our Philosophy**

1. We believe athletic achievement involves commitment from the student athlete, parent, and coaches for all of us to be successful and effective. Communication is the key to this belief.
2. We the athletic department of Lakeside Middle/High School and administration believe strongly in accessibility to parents and coaching staff.
3. We will continually attempt to improve communication with students and parents. For our athletics program to be successful, it is a necessity that everyone understands the focus and the direction of the program.

### **Parent/Guardian Expectations**

It is the responsibility of the coach to inform you:

1. When and where practices are held.
2. About the coaching philosophy.
3. About the expectations the coach has for your student athlete and for team expectations.
4. What is required to be a part of the team (for example: fees, equipment, meetings, etc.)
5. Any injuries to your athlete that occur during practice and games.
6. Disciplinary actions that might occur affecting your athlete.

Concerns **APPROPRIATE** to discuss with the coach:

1. Any unhealthy mental and physical strains you detect in your athlete at home (especially if it affects your child's academic performance).
2. How you can contribute to your athlete's skill development and improvement.
3. Any dramatic changes you detect in your athlete.

Conduct **INAPPROPRIATE** for both parents and fans that should **NEVER** occur and could result in expulsion from games:

1. **Yelling/swearing at officials when a bad call is made.**
2. **Yelling/swearing at coaches and players on the court, field, or side line.**

**[REVISED 8/2/2017]**

3. **Approaching a coach before, during, or immediately following an event.**
4. **Entering the locker room area unless during extreme circumstances (e.g. medical emergency).**
5. **Being on the playing surface/field for any reason unless during extreme circumstances.**

### **Coaches Expectations**

It is **INAPPROPRIATE** to discuss with the coach:

1. Playing Time.
2. Team Strategy.
3. Other Student Athletes.

Coaches need parents to tell them:

1. Specific health concerns about your child expressed directly to the head coach at a meeting.
2. Notifications of conflicts in schedules as soon as possible.
3. Your commitment to the program and ways you believe you can help with the advancement of the program.
4. Strategies for dealing with your child that have worked for you in the past.

***If you have a concern or situation you need to discuss with the coach, what is the appropriate procedure to follow?***

1. Try to keep concerns directed to head coaches. Make an appointment with the head coach. **NEVER** approach a coach during or after a game. Most coaches have responsibilities that must be completed after the game. Parents should try to make an appointment with the coach away from game days unless urgent (e.g. medical issues).
2. If the coach cannot be reached, call the Athletic Director to set up the meeting.

***If your concern, when brought up with the coach, does not create a resolution, what should you do?***

Call and set up a meeting with the Athletic Director. The next step in chain of communication will be made and explained after this meeting.

### **Expectations of the Audience at All Plummer Worley Sporting Events**

At all sporting events, it is the responsibility of parents or guardians to watch their children and monitor behavior, no matter the age of the child. You **WILL** be asked to leave if it is brought to administration's attention that your child is misbehaving or wandering unmonitored and you will be held responsible if an unattended child causes any damage or injury.

### **Maintaining safety at games is critical.**

Please ensure that your children stay within the marked boundaries of the ropes or off the court. Children should not be allowed to play football **and/or** run around beyond the ropes immediately before and during the game. The hallway outside of the gym is not a play area for unattended young children

**[REVISED 8/2/2017]**

Parents will be asked to leave if their child runs around unattended and/or consistently goes beyond the marked areas.

**PARENT/STUDENT SIGNATURE PAGE**  
(Fill out and Return)

We have read and understand the Parent/Guardian Code of Conduct.

\_\_\_\_\_  
Parent Initial

**I/We have read this packet and agree to follow the PWSA Athletic Code, the Drug Testing Consent Form, and the Notification of Risk (and Helmet Risk if applicable). I/We agree to follow the athletic code and all its terms and understand that athletics is a privilege allowed through being a good community member, student, and athlete.**
