7 - 1 Personal Illness:

Teachers who have a nine-month contract with the District will receive ten (10) sick leave days per school year. All ten (10) days sick leave will be credited to the employee at the beginning of the school year. For employees who start after the beginning of the school year, days will be calculated as earned for each month of service from August through June. If severance of an employee occurs before the ending of the contracted school year, that employee will not receive compensation for current, unearned, but credited, sick leave days (one credited for each month of service from August through June). Compensation shall not be paid for unused sick leave. If an employee exhausts sick leave days, and is not granted days from the Sick Leave Bank, deductions from the employee's salary will be made at the daily rate of the employee's salary. From one (1) to four (4) consecutive-days of illness, the building principal may require a doctor's proof of illness. After five (5) consecutive days of illness, a doctor's proof of illness is mandatory.

7 - 4 Sick Leave Bank Policy Description

The purpose of the Sick Leave Bank shall be to provide certificated employees who qualify by membership in the Bank with additional sick leave days needed to recover from personal illness which causes absence from work and loss of all accumulated personal sick leave. The Bank shall not be used as a reserve for time lost due to short term illness which would normally be covered by the employee's accumulated sick leave, bereavement, or for purposes other than personal illness.

7 - 5 Sick Leave Bank Administration

The Sick Leave Bank shall be administered by the Sick Leave Council in conformance with the regulations set forth in this agreement. Upon mutual agreement by the Association and the School Board, the Council may set policy regarding the administration of days. The Sick Leave Council shall be composed of one building Administrator selected by the Superintendent, one Trustee, and two Association members. In the event of a tie vote by the Sick Leave Council, the Association President shall cast the deciding vote.

The provisions of this agreement, notwithstanding, no single individual shall be permitted to use any combination of personally accumulated sick leave and sick leave bank days so as to exceed one hundred ninety (190) days of sick leave within any eighteen (18) month calendar period.

7 - 6 Sick Leave Bank Membership Policy

Employees may donate a maximum of one (1) day per year of accumulated personal sick leave to the Sick Leave Bank to be eligible for Bank membership benefits. Employees must join the Bank by October 1st of each school year. Donated sick leave days will be added to the Sick Leave Bank's reserve with no maximum capacity to the Bank. The Sick Leave Bank's status shall be accessible to members.

7 - 7 Emergency Donation Provision

In the event of an emergency situation and a teacher has the need to withdraw from the Sick Leave Bank and the Bank decreases to a reserve of ten (10) days, employees may donate a maximum of one day per occurrence as approved by the Sick Leave Council.

7 - 8 Personal

Personal Leave will be provided to each employee at two (2) days per year without loss of pay. Employees may carry over a maximum of six (6) unused days from the previous year for a maximum of eight (8) days. The employee may sell back unused days accumulated at the end of the school year at the rate of \$140.00 per day.

7 - 9 Professional

Employees shall be granted a minimum of one (1) professional leave day per school year to attend educational meetings, workshops, and observations of exemplary programs upon District's approval as funds are available, without loss of pay.

7 - 10 Association Business

Upon request from the Association, the Board will grant a maximum of six (6) leave days total per year to the Association as a whole for Association-related activities. The District shall grant a total of four (4) days of professional leave for Association-related activities. The District shall grant a total of two (2) days personal leave from the members to be used for Association-related business. The Association member attending the activity shall be granted their daily rate of pay for each Association leave day granted. The Association will pay for all six (6) substitutes.
